

EPSG 3452

This box contains:
Aluminum Profile - 2500mm
Diffuser - 2500mm
End caps - 4 pieces

Installation instructions

"Prior to installation, choose a location for the power supply and make sure that it is connected to the light switcher."

1 | Drill holes on the profile for power cord outlet and fixing the profile.

2 | Fix the profile.

3 | Put the power supply into the profile, place the power cord through the hole.

4 | Connect the led strip.

5 | Fix end caps and then placed in a glass.

6 | Installation finished.
